Trinity Restoration Building Wins Statewide Construction Award Rupe Building Company Wins Top Award in Oklahoma

Tulsa, Ok - Rupe Building Company received top honors from the Associated Builders and Contractors (ABC) Excellence in Construction Award in Oklahoma. They received the award in the \$2 million to \$5 million category for the new Trinity Restoration Building located at 8324 E. 97th Street in Tulsa. The construction crew from Rupe spent more than 8 months building the 25,611 square foot, \$3.5 million building.

Judges for the prestigious competition look at the size, price, uniqueness of design, building materials and if there were any injuries reported by crew members. There were no reported injuries during the eight month Trinity Restoration construction project in Tulsa.

Rupe Building Company will now enter the Trinity Restoration project in the national competition for the ABC Excellence in Construction Award. ABC will present its National Excellence in Construction Awards in June 2008.

Trinity Restoration held the Grand Opening of this new location on June 30th, 2007 with an open house and car show featuring nationwide car celebrities such as Chip Foose from TLC's Overhaulin', The Chrome Shop Mafia from CMT's Trick My Truck and local car legend Darryl Starbird. Trinity Restoration officially opened its doors to the public on July 5, 2007. It is the largest mechanical, paint and body shop in the Tulsa area .
